IUFRO STUDENT AWARD FOR EXCELLENCE IN FOREST SCIENCE (ISA)

This award recognizes outstanding individual achievements in forest science made by Masters degree students (or equivalent) completed in the period 2018-2023, in order to encourage their further work within the fields of research covered by IUFRO.

One award per IUFRO Division may be made for work related to the themes of the IUFRO World Congress. Nominations can be made through IUFRO Members and through the International Forestry Students' Association (IFSA) via the IFSA Secretariat/Liaison Officer.

The Award shall consist of a **certificate, the most economical cost of (air) travel/subsidized travel to attend the World Congress, and waiver of the Congress registration fee.** The SAA will be presented at the **opening or closing ceremony** of the World Congress. For the **ODRA and ISA**, the awards will be presented in a **special session** where awardees are given the opportunity to present highlights of their award winning work. All award winners will be announced in a special issue of IUFRO News and in other media.

Please FILL IN THE NOMINATIONS FORM before **25th May 2023**:

In addition to these awards, the Congress 2024 will offer:

Best Poster Award (BPA)

To encourage public dissemination of high-quality research and to recognize distinguished poster presentations during the IUFRO World Congress by under-graduate students, graduate students and individuals who completed their graduate degrees up to 7 years prior to the Congress. A number of awards will be presented for applications submitted by the corresponding author during the online submission of the abstract. Applications shall be finalized two months before the Congress by submitting the final pdf of the poster presentation. Shortlisted poster presentations will be judged directly at the IUFRO World Congress. The awards will be mentioned during the closing ceremony.

IUFRO World Congress Host Scientific Award

This award honours one or more truly outstanding scientists from the Congress host country who has elevated the profile of forest science and research.
