

Session: **The International Forests & Water Dialogue: Outcomes and Key Messages**  
Date: **Friday, 11 September, 12:45 – 14:15**  
Venue: **Meeting room 22DEF**

### **Description**

The main focus of the session will be to present the outcomes and deliberations of the FORESTS & WATER DIALOGUE 2-day event, held during XIV WFC, and therefore address the topic to a much broader public and to the participants of the XIV WFC, who were not able to attend the FO & WA DIALOGUE sessions. Welcome addresses and key notes will introduce the topic. The international FORESTS & WATER AGENDA will be promoted. The 5-year action plan on forests and water, supported by partner institutions, will be presented and launched. The side event will present: • Outcomes and key messages of the pillar “Science” • Outcomes and key messages of the pillar “Policy” • Outcomes and key messages of the pillar “Forest practices and economics”
