

Schedule at a glance

Sunday 16 March	
5.00-7.00 pm	Welcome event and conference registrations. Load presentations for Monday.
Monday 17 March	
7.30 am	Conference registration at the Novotel
8.30-10.00 am	Cultural welcome and opening session
10:00-10.30 am	Break
10:30-12.00 noon	Keynote presentations: Linda Nagel , Dean and Professor, College of Natural Resources, Utah State University. Regeneration insights from the Adaptive Silviculture for Climate Change Network Marcos Wichert , Vice President, Plantation Forest and Sustainability Management, Stora Enso. World-class forest establishment: forest industry success stories, silvicultural aspirations, and future R&D opportunities
12.00-1.00 pm	Break
1.00-3.00 pm	Session 1: Forest regeneration for resilience
3.00-3.30 pm	Break
3.30-5.30 pm	Concurrent sessions Session 2: Forest regeneration for resilience Session 3: Regeneration silviculture and vegetation management
Tuesday 18 March	
7.30-8.30 am	Conference registration at the Novotel
8.30-10.00 am	Keynote presentations: Simon Landhäusser , University of Alberta, Canada Physiological and morphological mechanisms underpinning tree seedling quality: implications for forests recovery in a changing climate Roger Arnold , R&D Manager Samling Reforestation, Malaysia Establishing trees in the wet-tropics of SE Asia is so easy – or is it?
10.00-10.30 am	Break
10.30-12.00 noon	Concurrent sessions Session 4: Seedling physiology and stress during forest establishment Session 5: Regeneration in degraded environments
12.00-1.00 pm	Break
1.00-3.00 pm	Concurrent sessions Session 6: Establishing native forests in New Zealand Session 7: Next generation forests and establishment silviculture
3.00-3.30 pm	Break
3.30-5.30 pm	Concurrent sessions Session 8: a) Establishing native forests in New Zealand & b) Establishing forests for rural communities or using Indigenous Knowledge Session 9: Regeneration silviculture and forest vegetation management
5.30-6.00 pm	IUFRO Unit 1.01.04 Unit Business meeting
Wednesday 19 March	
7.30am-4.00 pm	Conference field trip , meet bus outside Novotel at 7.30 am
6.00-10.00 pm	Conference dinner at Skyline Rotorua, meet bus outside Novotel at 5.45 pm
Thursday 20 March	
9.00-10.00 am	Keynote presentation: Brian Richardson , Principal Scientist, Scion, NZ and Robert Wagner , Emeritus Professor Purdue University, USA. Sixty years of research and practice in managing forest vegetation: what did we discover, what worked, what didn't work and what's next?
10.00-10.30 am	Break
10.30-12.40 pm	Session 10: Modelling forest regeneration and young stand dynamics
12.40-1.30 pm	Break
1.30-3.30 pm	Session 11: Regeneration silviculture and vegetation management
Friday 21 March	
	Optional fun activities. Pre-registration only (details on website) Visit Scion Research (morning): 8.30 am at Novotel Visit Kaharoa Forest (3/4 day): 8.30 am at Novotel Visit Mt Tarawera (3/4 day): 7.45 am at Novotel
