

The International Union of Forest Research Organizations is pleased to invite you to the book launch and panel discussion on

## REDD+, Biodiversity and People: Opportunities and Risks

Forest Day 6, Sunday 2 December 2012, 13:30 - 14:30

Al-Areen Ballroom (1, 2 & 3),

Renaissance Doha City Center Hotel, Doha, Qatar

The IUFRO-led Global Forest Expert Panels (GFEP) initiative will launch its report **“Understanding Relationships between Biodiversity, Carbon, Forests and People: The Key to Achieving REDD+ Objectives”** and the related policy brief.

### Keynote Speaker:

**John A. Parrotta**, US Forest Service, Chair, Global Forest Expert Panel on Biodiversity, Forest Management and REDD+

### Panellists:

**Robert Nasi**, Director, CGIAR Consortium Research Programme on Forests, Trees and Agroforestry: Livelihoods, Landscapes and Governance, Center for International Forest Research (CIFOR)

**Valerie Kapos**, Tropical Forest Ecologist, United Nations Environment Programme World Conservation Monitoring Centre

**Horst Freiberg**, Head of Division, German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety

### Tasso Azevedo

Forest and Climate Change Consultant/Former Director General of the Brazilian Forest Service

**Pick up your copy of the full assessment report and policy brief!**
