

FLARE Webinar

October 23, 2020

11:00 – 12:30 ET

Special Webinar: IUFRO Global Assessment Report

This webinar will highlight results and future research priorities based on a new [global assessment](#) on forests and poverty supported by the International Union of Forest Research Organizations (IUFRO). It will emphasize audience participation in a discussion to help shape an agenda for future research on this topic.

The webinar will feature a series of short presentations by [Daniel Miller](#) (chair, University of Illinois), [Christoph Wildburger](#) (IUFRO), [Pamela Jagger](#) (University of Michigan), [Reem Hajjar](#) (Oregon State University), [Peter Newton](#) (University of Colorado), [Priya Shyamsundar](#) (TNC), and other experts.

Registration required.
